

2019 Scholarship Application

Summer Programs offer a limited number of one-week scholarships. Scholarships are awarded based on need and on a first-come, first-served basis. Submission of a scholarship packet does not guarantee a scholarship.

- Two types of Scholarships are available:
 - Individual Scholarship: Parent pays \$25 for a one-week camp
 - Partner Scholarship: Parent pays half of the registration fee for a one-week camp
- Scholarship applications will not be considered until online registration is complete and all appropriate attachments have been submitted.
- Once a scholarship application has been received, families will be notified within two weeks as to the status of the application.
- Once a scholarship is awarded, families will have two weeks to submit the full payment.

To submit a scholarship packet:

- Complete online registration and select the camp/class to which you would like to apply this scholarship.
- Complete and submit the scholarship application along with requested documentation. Incomplete packets will not be considered.
- Required documents include:
 - A copy of the parents', the custodial parents or the guardian's (select one)
 - Form 1040 - pages 1 & 2
 - Form 1040A - pages 1 & 2
 - Form 1040EZ - page 1
 - TANF or SNAP Approval letter (Letter can be no more than 12 months old)
