

## 2017 Scholarship Application

Summer Programs offer a limited number of one-week scholarships. Scholarships are awarded based on need and on a first-come, first-served basis. Submission of a scholarship packet does not guarantee a scholarship.

- Two types of Scholarships are available:
  - Individual Scholarship: Parent pays \$25 for a one-week camp
  - Partner Scholarship: Parent pays half of the registration fee for a one-week camp
- Scholarship Applications will not be considered until online registration is complete and all appropriate attachments have been submitted.
- Once a Scholarship Application has been received, families will be notified within two weeks as to the status of the application.
- Once a scholarship is awarded, families will have two weeks to submit the full payment.

To submit a scholarship packet:

- Complete online registration and select the camp/class to which you would like to apply this scholarship.
- Complete and submit the Scholarship Application along with requested documentation. Incomplete packets will not be considered.
- Required documents include:
  - A copy of the parents', the custodial parent's or the guardian's (select one)
    - Form 1040 - pages 1 & 2
    - Form 1040A - pages 1 & 2
    - Form 1040EZ - page 1
    - TANF or SNAP Approval letter (Letter can be no more than 12 months old)
